POST OFFICE BILL.

It Was Passed in the Senate All Amendments Offered Being Voted Down.

SHARP DEBATE AMONG SENATORS

Race Question Was Again Injected Into Proceedings of the House of Representatives.

It Is Again Charged That Ex-President Cleveland Entertained a Negro—A Letter Read From Cleveland Denying It.

Washington, April 13.—Senate—A sharp colloquy occurred in the senate Tuesday between Senators Teller and Hopkins, growing out of the reading by Mr. Teller of a letter written by the late Gen. H. H. Thomas, of Chicago, attacking the civil service administration of the treasury department. Mr. Hopkins took exceptions to the quoting of the letter and declared that the Colorado senator would be willing to "accept" authority from the "slums," whereupon Mr. Teller declined to yield further, declaring Mr. Hopkins' reference to the slums to be insincere. The incident occurred in connection with the discussion of the post office appropriation bill. That measure was under discussion during the first half of the session and was passed, all amendments offered by the democrats being voted down. The bill providing a form of government for the Panama canal zone was taken up but debate on it had not begun when the senate adjourned.

House—The race question again was injected into the proceedings of the house of representatives when Mr. Scott (Kan.) delivered long address in which he referred to his previous statement that it was current in Kansas that ex-President Cleveland had dined C. H. J. Taylor, a Kansas Negro politician. He read several letters from Kansas citizens that it had been Taylor's boast that he had received such social attention from Mr. Cleveland. He also said that Mr. Cleveland, while governor of New York, had signed a bill providing for mixed schools. In a spirited reply, Mr. Williams (Miss.), the minority leader, defended the attitude of the south toward the Negro and said that discussion of the race question by the republicans was an old game by which when the republican party found itself confronted with issues that threatened its supremacy it began to wave the bloody shirt. At the instance of Mr. Bartlett (Ga.) a letter from ex-President Cleveland was read, denying that he had ever dined a Negro. Mr. Bartlett also declared Judge Parker, of New York, to be the man whom the democrats will nominate for president.

THE PORTLAND EXPOSITION.

Foreign Governments Will Be Invited to Participate.

Washington, April 13.—Foreign nations will be invited by this government to participate in the Lewis and Clark exposition which is to be held next year in Portland, Ore. Senator Fulton Tuesday had a conference with the president regarding the issuance of invitations to other governments to send exhibits to the exposition. In the near future, Senators Fulton and Mitchell, of Oregon, will confer with both the president and Secretary of State Hay about the matter. A formal invitation will be prepared and sent out by this government through the state department.

DISEASED FILIPINOS.

Out of 50 Landed at Tacoma 35 Are Afflicted With Trachoma.

Washington, April 13.—There were landed at Tacoma, Wash., recently 50 Filipinos who were brought to the United States under contract to take part in the Philippine Islands exhibit at the St. Louis exposition. Thirty-nine of the number were afflicted with trachoma, a disease of the eye. Under a ruling by the attorney general natives of the Philippines Islands and Porto Rico are not aliens within the meaning of the immigration act, and they had to be admitted. Congress will be asked by legislation to meet such cases arising hereafter.

Chicago, April 13.—Alexander Finn, British consul at Malaga, Spain, has been appointed British consul at Chicago to succeed Capt. William Wyndham, who has been promoted to the consulate at Boston.

He Brought His Bride to Covington and Was Married.

Covington, Ky., April 13.—State Senator William A. Byron, of Brookville, Bracken county, Ky., came to Covington Tuesday and was married to Miss Jennie Staton, also of Brookville, whose father was master mason of Kentucky for years. Mr. Byron secured the license at Brookville, and then brought his bride-to-be to Covington, where Father James Gorey, secretary to Bishop Maes, performed the ceremony. After the wedding Mr. and Mrs. Byron went to the Palace hotel, in Cincinnati, where they expect to remain a few days before returning home. Mr. Byron was a candidate for attorney general of Kentucky a few years ago.

DROWNED IN A RAIN BARREL.

Mrs. John Harper, Wife of a Farmer, Ends Her Life.

Cynthiana, Ky., April 13.—Mrs. John Harper, wife of a well to do farmer of Shady Nook, committed suicide after two attempts while temporarily insane by tying a brick around her neck and plunging head foremost into a rain barrel.

Mrs. Harper first attempted to drown herself in a watering trough. She left a note saying she had arranged lunch for the night and had prepared dinner for the next day, and where it could be found. She gave no reason for killing herself.

KENTUCKY INCORPORATIONS.

New Companies Filed Articles With the Secretary of State.

Frankfort, Ky., April 13.—The following new companies filed incorporation articles with secretary of state Tuesday: Kenton County Land Co., of Covington, \$15,000; Hale & Key Lumber Co., of Graves county, \$40,000; Ashland Cement Construction Co., of Boyd county, \$10,000; The Times-Journal Publishing Co., of Bowling Green, \$10,000; the Hawesville bank of Hancock county, \$15,000.

Death From Smallpox.

Harrodsburg, Ky., April 13.—Fred Rose, an electrician at the city lighting plant, died here of smallpox. He was taken in a very violent form a few days ago and his recovery was considered doubtful from the first.

JAPS SURPRISED.

Nearly 50 of a Scouting Party Shot, Bayoneted or Drowned and Their Boat Sunk.

THE RUSSIANS SUSTAINED NO LOSS

Four Russians Were Betrayed by Koreans and Were Chased by a Squadron of Cavalry.

The Latter Were in Turn Attacked By a Boat Which Had Come to the Rescue and All Japanese Were Killed.

St. Petersburg, April 13.—Gen. Kuropatkin, in a dispatch to the emperor bearing Tuesday's date, says that Gen. Krasnanski, on the night of April 8, ordered a detachment of sharpshooters to cross to the left bank of the Yalu opposite Wiju. The sharpshooters landed on the Island of Samailind and surprised a patrol of 50 Japanese scouts just as the latter were approaching the east side of the island in three boats.

The Russians allowed the Japanese to land and then fired on them. Nearly all the Japanese were shot, bayoneted or drowned and their boats sunk.

The Russians sustained no losses. Non-Commissioned Officers Louckjine and Souhaschonov distinguished themselves in the fight. On the following day the Japanese lowered their flag at Wiju and their outposts, which lately have been seen, and fell back.

On the night of April 9 four Russians crossed the Yalu to Yenampho (Yongampho?) and made towards a Russian village where they found a squadron of Japanese cavalry. They remained there 12 hours, when they were betrayed by Koreans and found themselves obliged to swim the river, their boat having struck on a sand bank. One soldier lost his life. The Japanese pursued the Russians in a boat, but were in turn attacked by a Russian boat which had come to the rescue of the swimmers. The Japanese were all killed and their boat sunk.

London, April 13.—The Times' New Chwang correspondent, cabiling under date of April 11, says: "Last night a pilot's flotilla was mistaken for the lights of a Japanese fleet, and the Russians fired and sank the junk with 35 hands, besides killing three persons and wounding seven in another junk. The native population is panic-stricken and leaving the town."

HEAVY FIRING HEARD.

It Is Believed the Long Expected Sea Fight Has Taken Place.

Che Foo, April 13.—A press correspondent at Tung Chow, 40 miles northwest of here, telegraphs as follows:

"Sounds of very heavy firing were heard at half-past 6 o'clock Wednesday morning. The firing evidently was being done between here and Port Arthur. It is believed at Teng Chow that the long expected sea fight among the Miaoatao islands has taken place.

"The Japanese battleship Asahi, flying an admiral's flag, was seen off Che Foo Tuesday going to the west, and there is no doubt that the remainder of the Japanese fleet was in the vicinity of Port Arthur. The Russian fleet also was seen outside Port Arthur Tuesday."

The captain of the steamer Lockshan, which arrived Wednesday from New Chwang, reports that he heard heavy firing between 5 and 7 o'clock Wednesday morning in the direction of Port Arthur. The firing was continuous but no ships were visible. From the direction of the sound he judged that there was fighting at the entrance to Port Arthur. The Lockshan was the last foreign merchant vessel to leave New Chwang, sailing at the same time as the British gunboat Esquele at 1 o'clock Tuesday afternoon.

Gen. Toral Not Dead.

Madrid, April 13.—There is no truth in the story published in the United States that Gen. Toral, who commanded the Spanish garrison at Santiago de Cuba at the time of the surrender of that place to the United States forces, had died at an insane asylum at Leganes Tuesday. Gen. Toral is still living at the Esquerdo hospital.

Col. Marchand Resigns.

Paris, April 13.—The resignation of Col. Marchand, the hero of the Fashoda incident, was officially confirmed with an explanation that it was not due to pique because he was not appointed to follow the far eastern war operations.

Hopkinsville, Ky., April 13.—John Barber, a tenant on the farm of Perry Bradley, near Trenton, shot and killed Bradley's brother Alfred.

PREMIER MAURA STABBED.

Owing to the Heavy Lace on His Coat the Wound Is Slight.

Barcelona, April 13.—Late Tuesday night a semi-official report of an attack on Premier Maura was issued, according to which the assailant held concealed a kitchen knife with which he stabbed the premier, but the force of the blow was broken and its direction diverted by the heavy lace on the minister's coat resulting in only a slight scratch under the sixth rib. A doctor attached to King Alfonso's suite examined the premier and prescribed a few hours' rest. His majesty sent a messenger to inquire concerning the attack and as to the prime minister's condition.

Joaquin Miguel Artajo, the assailant, was employed as a domestic. He is an anarchist and when arrested attempted suicide by dashing his head against the wall.

According to another account the premier coolly drew the knife from his clothing and threw it on a seat in his carriage, after which he entered the palace, walked upstairs and telephoned to Minister of the Interior Guerra at Madrid, saying: "I have been stabbed. Don't be alarmed. The wound is not serious."

THE NEELY CASE.

The Jury Disagreed in the Action Brought by the United States.

New York, April 13.—The jury Tuesday disagreed in the action brought by the United States against Charles F. W. Neely, former Director of Finance of the Postoffices of Cuba, in which an attempt was made to officially fix the amount of Neely's alleged peculations between January and May, 1900. Judge Lacombe, sitting in the United States Circuit Court, where the suit was tried, made several efforts to get the jury to agree, but failed, and discharged them after being assured by the foreman and several jurors that an agreement was impossible.

The attorneys for the government contended that by documentary evidence they had shown that Neely's peculations during the three months mentioned amounted to about \$45,000. The attorney for Neely argued that the Cuban act of amnesty freed his client from all criminal and civil liability. Special Attorney General Jones said the government would retry the case at once.

NEW YORK CONVENTION.

Declared In Favor of the Nomination of Roosevelt For President.

New York, April 13.—The republican state convention, in session Tuesday, named as delegates at large and alternates to the national convention at Chicago: Senator T. C. Platt, alternate, J. Sloane Fassett; Senator C. M. Depew, alternate Louis Stern; Gov. B. B. Odell, alternate, Erastus C. Knight; Frank S. Black, alternate, Henry C. Brewster. The platform strongly endorses the administration of President Theodore Roosevelt and Gov. B. B. Odell, and the delegates at large to the national convention are directed to use all honorable means to secure the nomination of Theodore Roosevelt.

KENTUCKY MINE OWNERS.

Representatives Will Hold a Conference With Mitchell and Others.

Indianapolis, Ind., April 13.—W. D. Meliheny, of Central City, Ky., H. Davis, of Louisville, W. R. Cole, of Nashville, Tenn., and D. S. Miller, of Owensboro, Ky., representatives of the mine owners of the Western Kentucky district, arrived here Tuesday night for a conference with the national officers of the United Mine Workers and the district officers of districts 19 and 23, of Kentucky, during which they will ask a reduction in the wages of the miners. The reduction asked is 2½ per cent. from 62½ cents per ton.

The president and members of his cabinet, public officials and distinguished citizens will be present to witness the ceremonies. The grand master will be accompanied by other high officials of the Masonic grand lodge.

The Lockout Ended.

Cincinnati, April 13.—A telegram received by W. D. Henderson, of the Henderson Lithographing Co., from officers of the National Lithographing Association, in New York, stated that the lockout all over the country to enforce individual arbitration agreements, has been settled.

VESSEL WRECKED.

Steamer Colon, of Pacific Mail Steamship Co., Went Ashore on Point Remedios.

LARGE NUMBER OF PASSENGERS

Reef Where She Struck One of the Most Dangerous on the Central American Coast.

The Colon Was a Sister Ship of the Colima, Which Was Lost Off Manzanillo About Seven Years Ago.

Panama, April 13.—The steamer Colon, of the Pacific Mail Steamship Co.'s line, went ashore on Point Remedios, at the same place where the American steamship Nicaragua and the British vessel Cherboon were lost. Capt. Irvine managed to steam out from Point Remedios and the Colon is now lying on the beach close to the Acajutla wharf, three miles from Point Remedios. No other facts are known by the agents here.

San Francisco, April 13.—The steamer Colon is in command of Capt. William A. Irvine, one of the oldest masters in the service of the Pacific Mail Steamship Co. He has for years been in command of steamers of the company on the Panama route and he is considered one of the most careful navigators of the line. There was a big list of passengers in the cabins of the vessel when she went out of this harbor, but most of them were bound for ports north of Acajutla. Those, however, who went from here on the steamer were going through to Panama and would have been aboard the craft when she struck, were:

Miss C. N. Powell, Miss H. Olafson, O. A. Rowan, W. S. Vincent, Miss F. Schmid, Lieut. E. W. Wood, M. T. C. DeChasse, Rev. and Mrs. J. H. Priester and Rev. and Mrs. S. V. Dilley.

The vessel had left Acajutla Monday afternoon bound for Panama and she had only gone about 15 miles when she hit on the rock. The reef where the vessel struck is considered one of the most dangerous along the Central American coast and many vessels have found graves on it. According to seafaring men who know the reef the steamer was unfortunate in getting afoul after striking and getting back to the harbor of Acajutla.

The Colon was built in Philadelphia in 1873 and was a sister ship of the Colima, which was lost off Manzanillo about seven years ago. The Colon was one of the first Pacific mail steamers to be taken as a transport when the ships were needed by the United States to send volunteer soldiers to the Philippines. She made many trips across the Pacific in the transport service. A large number of vessels have been wrecked on Remedios Reef on which the Colon struck.

SHOWS SIGNS OF LIFE.

The Funeral Services Over the Body of a Young Girl Postponed.

Toledo, O., April 13.—Funeral services which were to have been held Wednesday over the body of an 18-year-old daughter of Jacob Warlimont, a farmer residing near Miller City, Putnam county, have been postponed, as it is believed the girl may not be dead. She was taken suddenly ill Sunday and three hours later apparently died. Tuesday while an undertaker was preparing the body for burial he discovered signs of life. It is thought the girl is in a trance.</p

EVENING BULLETIN.

DAILY, EXCEPT SUNDAY.
ROSSER & McCARTHY,
Proprietors.

WEDNESDAY, APRIL 13, 1904.

HERE AND THERE.

Items of Interest From Nearby Towns and Villages Contributed by the Bulletin's Corps of Correspondents.

WEDNESDAY, April 13th.—Plowing is much delayed on account of rain. Some farmers are plowing up their wheat and sowing in oats. Pearce Bramel of Lexington is visiting his parents this week. Jewel Rice is visiting Mr. and Mrs. J. Harvey Rice. Jim Mat Walker, who has been very ill, was much worse Sunday. John Hughes and wife leave this week for Portsmouth. John McGraw continues very ill. Miss Hattie Bullock is no better. Rev. Blakemore will fill his regular appointment at Mill Creek next Sunday morning and night.

Saturday night while Jim Cord's four-horse team were standing at Cook's store and the driver was unloading some egg cases, he let some of them fall. This frightened the horses and they ran off. At C. A. Goodman's gate they ran into Pat Bryon's wagon with three horses to it, knocking the horse down that Mr. Bryon was riding and for a few moments Mr. Bryon had a very narrow escape for his life. The wagon which was loaded with coal was turned over and demolished. The runaway team ran until they reached their own home but did not do any damage to either horses or wagon. Very fortunate indeed for the crowd that attended the lecture at the Mill Creek Church that they did not meet the runaways.

The lecture given by Rev. Buckingham at the Mill Creek Church Saturday night, April 3rd, was very much enjoyed by all present.

John Keal has been on the sick list this week but is improving slowly.

Mr. and Mrs. Walter Scott and family were guests of Mr. and Mrs. Goodman Saturday and Sunday.

Miss Rose Harbeson will close her seven months school Friday.

EAST LIMETONE, April 12th.—The wet weather is preventing all work in the farming line.

The residence of John Roe caught fire from the chimney Sunday morning about 10 o'clock, but the blaze was extinguished with only slight damage by Mrs. Roe and children who experienced quite a fright, being alone at the time—other members of the family having gone to church.

Mrs. Alice Yazell of Maysville visited friends near Orangeburg last week.

Miss Naunile Pollard of near Rectorville was the guest of Mrs. Mattie Toll the past week.

Mrs. Wilcy Case is in attendance on her son Charles who is seriously ill with typhoid pneumonia at his home near Falmouth, where she was called several days ago. She is accompanied by her sister, Mrs. Dora Sweet.

Mrs. John Roe of near Orangeburg visited her mother, the venerable Mrs. William Parker, Monday, who is quite ill with pneumonia at the home of Mrs. Henry Hafert of the county, daughter of Mrs. Parker.

Walter Bullock moved to Portsmouth Monday. The family, who will leave later in the week, will be accompanied by Mr. Bullock's sister, Miss Sallie Bullock.

The Ladies' Aid Society of the Stone Lick Church will meet at the home of the Misses Fauny Gaul and Cynthia Wells Thursday, April 21st.

Geo. Beighle, who was a resident of the Illickey farm, moved to Winchester the past week. His two daughters Miss Pearl and Mac left on the early train Monday morning, while Mrs. Beighle and small children passed through en route on the 2 o'clock train from a farewell visit in Ohio. The family during their four years residence in the neighborhood have won many friends who wish them every success in their new home.

John Conghlin, our enterprising dalyman, undertook a trip over the Kennedy's Creek country road Friday but as he had failed to secure a life insurance policy before leaving the city he conceived it best to discontinue his dangerous venture, therefore failed to reach the end of his journey.

Nick Ring sold his crop of tobacco to Mr. Malone at \$12 cts. straight—another scoop for the Continental. When the State legislates against trusts and eliminates their power by making it a felony to operate in the State, the producer will realize the benefit of his labor.

On account of the inclement weather Sunday and the intolerance of the roads the new minister was greeted with only a small audience. Rev. Sturdivant is an able and interesting speaker and the church will certainly be much benefited in securing his services. The regular service has been changed from the second to the first Sunday in May, with business meeting Saturday night previous, which all members are urgently requested to attend.

ORANGEBURG, April 11th.—G. N. Keenan has returned from a visit to Portsmouth.

Clarence Phillips has gone to St. Louis.

M. D. Collis has sold out his store to Mr. Tomlin.

Rohrer Moody and Scott Young will open up a new store this week.

Orangeburg school closed Friday.

Dick Roe has sold his house and lot to Chas. Duzat.

An old time colored citizen known as "Uncle Jack" died Saturday of a dropsical affection and was buried Sunday.

Two well known Farmers of this neighborhood went to town for a load of straw and on their return, when in sight of home, upset, stopping themselves instead of the stock they were providing for. People who witnessed the occurrence say they were a sight.

Misses Mayme Hellin and brother Martin have returned from Cincinnati.

Clarence Calvert went on trip to Cincinnati Monday.

Gardening is in abeyance on account of superfluity of moisture. Farm work also.

A few fish have been caught but not enough to build a medium sized fish story on yet. Snake stories are backward too on account of cool weather.

Miss Annie Grace Roe, who on her way to school last week, was badly bitten by John Coulter's dog. The wound, which bled freely, was cauterized by Dr. Ford. This dog, a worthless cur, has bitten Dr. Ford and several children and it is a wonder that other provision is not made for its maintenance instead of allowing it to lunch off the limbs of passers-by.

The accustomed Christian greetings were extended Rev. Dr. J. C. Molloy of the Southern Presbytery of Ebenezer and Rev. Dr. Donald McDonald of Louisville Presbytery.

To-day the Woman's Missionary Society will hold its sessions in the basement of the church.

River News.

Eight or ten boats were sent out from Pittsburg Monday and Tuesday with coal.

Greenwood for Pittsburg and Bonanza for Pomeroy to-night. Keystone State due down this evening and Stanley to-night.

The steamer Indiana will be used by the Ironton Elks as their headquarters during the Elks' reunion in Cincinnati. Over 100 members of that lodge have already pledged themselves to join the party. The married Elks will take their wives and unmarried members their sweethearts. The plan is to have the boat reach Cincinnati on the opening day of the reunion, and the excursionists will remain in Cincinnati three days.

The cross-compound machinery for the low-water packet building for Bay Bros. is something new in this part of the country, and is being built at Stillwater, Minn. It is partly high pressure and partly low pressure, and is expected to show an improvement on the high-pressure cylinders in common use. The new boat, when completed, is not expected to draw more than fourteen inches with everything aboard.

Dr. A. N. Ellis delivered an exceedingly interesting and very instructive lecture on "Hamlet" yesterday morning to the class in English literature of the High school. The teacher and pupils of this class most heartily thank Dr. Ellis for this favor.

Rev. Dr. John Barbour officiated at the funeral of the late Col. Thomas M. Green at Danville Sunday afternoon. Ex-Vice President Adlai Stevenson was among those in attendance. Mr. William Green was the only member of the family not present. He is with a surveying party in Mexico and could not be located.

The wedding of Miss Bessie Schickner, a pretty typewriter of Cincinnati, and Mr. Robert N. Bouss, a shipping clerk of the same city, was solemnized at the Aberdeen M. E. parsonage. After the ceremony they repaired to the home of the bride's sister, Miss Mattie, who resides below Aberdeen, where supper with ices, cakes, fruit and wine was served. After the wedding trip to Louisville and St. Louis, the couple will be at home to their friends on Pike street, Cincinnati, where the groom has elegantly furnished apartments awaiting his fair one. The bride is well-known in Maysville, being a cousin of Mrs. Augusta Dersch.

Fancy Cheviots!

A few years ago Cheviots were distinctly a Scotch fabric without the many handsome effects seen to-day. Vast improvements have been made by French and German manufacturers. This season's new effects are produced by knotted yarns of bright lustrous mohair which have transformed a common place mixture into a fabric that rivals in beauty the very handsomest dress goods. Every piece is spangled and shrunk so utility is linked to loveliness.

Carpets, Mattings and Rugs!

Have you watched our delivery wagon the last few weeks? If you have, you no doubt are wondering if we are fitting up every home in Maysville with Carpets, Rugs and Mattings. This is the largest carpet season the BEE HIVE has ever known. There is a good reason for it. Six weeks in New York by our carpet buyer. Buying in jobbers' quantities direct from the mills, selecting choice patterns and marking them at a small profit; and customers looking elsewhere are a few reasons for the majority of the carpet buyers buying here. Whiskey and Beer Habit PERMANENTLY CURED BY "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. Wycliff, New York City, writes: "ORRINE cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of 'ORRINE'."

Mrs. W. L. D., Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other remedies, but nothing would help him. Finally I gave him 'ORRINE.' He is now fully restored to health and has no desire for drink."

Mrs. E. L., Atlanta, Ga., writes: "I was born with a love of whisky and drank it
